

OR Chapter Meeting

Tuesday - April 13th - 2010

Jon Don - Portland

5:30 PM room opens, networking can start at any time

**What about the NEW ANSI/IICRC S600
Carpet Installation Standard within development (an update).**

Have you wondered what ANSI/IICRC S600 is?

- Why is the IICRC involved in the writing of S600 Carpet Installation Standards?
- Who is involved in writing this standard?
- What are the chapters identified in this chapter?
- What might the impact be of this ANSI/IICRC standard?

Come to the CCINW meeting on April 13 and hear what Barry Costa, Vice-chair of S600 and past Standards chair for the IICRC has to say.

Instead of having to fly to a distant city, take a short drive to see Barry in his first of only two visits to the Northwest this year!

Bring as many members of your company as possible to learn about the latest and greatest.

Space is limited, so please reserve your space early!

All CCINW-WW chapter meetings earn ½ IICRC continuing education credit
